### SUMMARY

I am a dedicated and results-driven Sales Associate with a strong background in logistics and supply chain coordination. My experience has equipped me with a deep understanding of inventory management, order processing, and efficient distribution, enabling me to support seamless operations while maintaining excellent customer service.

### EDUCATION

**Associates Degree in Logistics and Supply Chain Fundamentals**  
Atlanta Technical College - 2020

**Bachelor of Science**  
Birmingham University - 2023

### EXPERIENCE

**Warehouse Associate**  
Delta | 2021-01 - 2022-07

Performed packing, picking, counting, and record-keeping duties. Maintained high picking/packing speeds and accuracy levels.

**Laboratory Inventory Assistant**  
X Laboratories | 2019-01 - 2020-12  
Assisted in lab operations, inventory management, and shipping. Implemented cost-saving measures and productivity improvements.

**Customer Representative**  
Bright Line Solutions | 2017-02 - 2018-09  
Handled customer inquiries via phone and email, resolving issues efficiently. Documented service interactions, processed orders, and maintained a 95% customer satisfaction rate.

**Production Line Operator**  
GreenTech Manufacturing | 2016-01 - 2017-01  
Operated machinery for product assembly and quality checks. Monitored equipment, performed routine maintenance, and consistently met daily production targets.
